## ASX MEDIA RELEASE

### MONADELPHOUS ACQUIRES PEARLSTREET ENERGY SERVICES PTY LTD

Leading engineering group Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the company”) is pleased to announce it has concluded a purchase agreement for the acquisition of asset management company PearlStreet Energy Services Pty Ltd (“PearlStreet”).

PearlStreet manages two long-term operations and maintenance contracts in the power sector in Western Australia. The contracts comprise a Collie Basin coal infrastructure operations and maintenance contract with Verve Energy and a plant operations and maintenance agreement with the Tiwest Joint Venture KMK Cogeneration Plant at Kwinana. The Verve Energy and Tiwest contracts have four and three years to run respectively, with a combined value of approximately \$50 million.

Monadelphous has acquired 100 per cent of the shares of PearlStreet, a wholly owned subsidiary of Campbell Brothers Limited, for a cash consideration of approximately \$4 million.

Monadelphous Managing Director Rob Velletri said the acquisition was part of the company’s market growth strategy.

“PearlStreet will enable Monadelphous to strengthen its operations and maintenance capabilities, as well as expand its services into the power sector,” Mr Velletri said.

PearlStreet became part of the Infrastructure division on 1 July, 2011.
