### **New Contract Wins**

Monadelphous Group Ltd announced today that the company has recently secured new projects in the resources and water sectors with a combined contract value of approximately \$50 million. The projects secured include:

- Civil and structural works for the Mt Isa Zinc – Lead Concentrator Revamp Project at Xstrata's Mt Isa Mines operation in Queensland;
- Upgrade of the Yandi Sample Station for BHP Billiton Iron Ore's Rapid Growth Project 4 (RGP4) in Western Australia; and
- Construction of the Bargara waste water treatment plant upgrade for the Burnett Shire Council in Queensland.

Monadelphous Group Managing Director Robert Velletri said "Monadelphous is continuing to benefit from a strong resources sector and we are particularly pleased to be able to report another win in the water sector".

He said that the company was in a heavy tendering phase and was confident of announcing more contract wins over the coming months.
