ASX MEDIA RELEASE

29 September 2009

**MONADELPHOUS AWARDED
\$100M IN SERVICES CONTRACTS**

Perth: Leading Australian engineering company Monadelphous Group Limited (**ASX: MND**) (“Monadelphous” or “the company”) today announced it had secured two new three-year maintenance services contracts with Rio Tinto Iron Ore’s Coastal and Inland West Operations in Western Australia worth a total of approximately \$100 million.

The scope of work awarded to Monadelphous includes responsibility for any shutdown and maintenance services across various Rio Tinto Iron Ore’s Pilbara sites.

Monadelphous Group Managing Director Rob Velletri said, “We are very pleased to be given the opportunity to significantly expand the scope of our maintenance services to Rio Tinto Iron Ore. These two contract wins support our strategic goal of growing our recurring revenue base through long term relationships with blue chip customers.”

“They also demonstrate our capability to safely deliver large, multi-disciplinary maintenance services across a variety of geographic areas,” he said.

“We look forward to extending our valued and long association with Rio Tinto Iron Ore,” added Mr Velletri.
