Major Contract Win

Monadelphous Group Limited is pleased to announce that the company has been awarded a major contract by Canadian company Chemetics, a division of Aker Kvaerner Canada Inc. for the construction of the Sulphuric Acid Plant associated with BHP Billiton's Ravensthorpe Nickel project in Western Australia. Chemetics specialises in the design and construction of chemical plants worldwide.

The contract is valued at approximately \$35 million and is scheduled for completion in May 2006.
