MONADELPHOUS SECURES CONTRACT AT JIMBLEBAR

Leading engineering group Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced it has been awarded a construction contract valued at approximately \$75 million at BHP Billiton Iron Ore’s Jimblebar Mine, east of Newman in Western Australia.

The contract involves structural, mechanical and piping works associated with the construction of stacking, reclaiming, train load out, product sampling and water infrastructure facilities.

“Monadelphous has a long track record for the safe and reliable delivery of construction services on many of the major iron ore expansion projects in Western Australia,” Monadelphous Managing Director Rob Velletri said.

“We are pleased to have been selected as a contractor and we look forward to delivering results at Jimblebar for this valued customer.”

Work on the project is scheduled to commence next month.
