Monadelphous Contracts Update

Engineering company Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced it has secured new contracts in the resources and infrastructure sectors with a combined value of approximately \$100 million.

The Company’s renewable energy business, Zenviron, has secured a contract for balance of plant works associated with the 150MW Moorabool North Wind Farm Project for Goldwind Australia. The project is located 5km south of Ballan, Victoria and is expected to be completed in December 2019.

In addition, the Company has been awarded various structural, mechanical, piping, electrical and instrumentation integrated packages of work under an existing panel contract with BHP for its iron ore operations. The work will be performed at a number of BHP sites in the Pilbara region of Western Australia and is expected to be completed in 2018.

Lastly, the Company has received an order from Australia Pacific LNG, under an existing agreement, for the supply of additional wellhead skids.
